UV GEL SYSTEM

COLOR GELS

More than 48 mixable color gel options, that offer exceptional strength, adhesion, control, and an unlimited color palette. Create vibrant nail art, two-tone French, or permanent polish. Cures in 2 minutes with a full hand UV lamp.

Más de 48 opciones en geles de colores que permiten mezclar, ofreciendo una resistencia excepcional, adherencia, control y una paleta de colores ilimitada. Crea decoraciones de uñas vibrantes, francesas de dos tonos, o esmaltados permanentes. Cura en 2 minutos con una lámpara UV de mano entera.

- Endless design possibilities.
Posibilidades infinitas de diseño.
- Creams & Metallics.
Cremosos y metálicos.
- Exceptional strength & adhesion - no chipping or cracking.
Fuerza y adhesividad excepcionales, no se descarapelan ni se agrietan.
- Cures in only 2 minutes and files easily.
Secan en sólo 2 minutos y se liman fácilmente.
- A slightly thicker consistency makes application quick and easy and offers deep color intensity for permanent polish.
Consistencia ligeramente espesa, para una aplicación fácil y rápida, además de dar mayor intensidad de color al terminado de esmalte permanente.
